

Just to let you know...

Reminder—Monday 25th July is a mid-summer holiday

Dear Parents,

It has been a fun week in Year 4, full of creativity. The children have written some exciting adventure stories, set at Bentley Copse, and included the characters they created last week.

We had great discussions in RE about heroes and whether one person could change the world. It was interesting to hear about the children's heroes and how it is possible to change the lives of others for the better.

We are looking forward to sports day next week where sports day. Children have chosen their event this week.

Have a great weekend,
James, Rachel, Sarah and Kelli

English

We followed on from last week and began to write our Bentley Copse adventure stories. The children learnt about fronted adverbials and tried to include them in their writing. The children then wrote a section of their story in each lesson. We worked on including dialogue, building suspense and developing description through adjectives and adverbs.

Spellings

Please look at and learn these spellings for Tuesday 26th June. If the word ends with an 'e', add 'ly'.

If the word ends with a 'y', drop the 'y' and add 'ily'. Make sure you know the meaning of the root word as well as the adverb.

easily, lovely, angrily, happily, luckily, freely, sincerely, busily

Heroes

In RE this week we had brilliant discussions about heroes. We talked about own heroes and described how they influenced our lives. Moving on from that we had a very interesting debate about whether one person can change the world. The children gave great feedback and it was a real pleasure to work with them in this lesson.

Maths

This week in maths we did a variety of activities. On Monday we revisited this term's learning. This was to prepare us for our PUMA test. The children all tried really hard! At the end of the week we moved on to learning about time graphs. We even plotted our own data onto a graph.

Sports Day—Tuesday 26th June

Sports Day is slightly different this year. Years 3 and 4 will be competing in their running races between 11am and 12. They will then be competing in other activities, such as the tug of war and relay races with all year groups from 2.15pm. Teas and coffees will be available from HTSC.

Dapdune Wharf

Thank you to all the parents who helped out at Dapdune Wharf! We had an excellent time looking at the River Wey and conducting scientific investigations. Next week we will be learning more about rivers and the features of a river.
