

This week our English focus has been rapping!! We looked at Henry's wives and their fates, then we learnt about the features of a rap - rhythm and rhyme - and wrote our own rap about Henry and his wives. The children enjoyed working in groups to perform their work.

Our spelling pattern has been: plurals of words ending in vowels other than e. Many of them are foreign words, particularly animals, foods and musical terms. The list is: spaghetti, heroes, pianos, volcanoes, echoes, flamingos, bananas, potatoes, bacteria and umbrellas. There will be a small test on Monday.

Can you spot any more at home?

Just to let you grow...

(at harvest time)

Dear Parents,

Thank you for the harvest donations, we had a lovely assembly.

We are looking forward to our Hampton Court trip next Tuesday—we are just chasing up a few slips; please return yours, if you haven't yet.

The week of Monday 15th October is our 200 year celebration week. There are lots of exciting activities happening and your child should have bought home a leaflet about it. FLUFFY will be on Friday 19th October—please remember your £1.00.

Thanks!
Bec, Henry, Alison and Heather

In maths this week we continued working with pen and paper methods for working out addition and subtraction problems.

The children had a great time when they planned and budgeted their grand Tudor banquets for Henry's coronation.

Please remind your children to keep practising those times tables!

We have a subscription to a great maths website: www.mymaths.co.uk the username is: Pewley and the password is: Squared. It's a great resource, have a look this weekend.

Thank you for all your support with group reading—it's going really well and will be on again next week at 9.00am on Thursday.

Remember to keep up the regular reading aloud and checking in reading records for your child's target sticker (also signing in the book) at home too!
