

Holy Trinity Pewley Down COVID-19 RISK ASSESSMENT September 2020 reopening

This risk assessment has been completed for Holy Trinity Pewley Down School. It is an assessment of the risks associated with the DFE's ambition to reopen schools to all pupils in September 2020 following the Covid-19 pandemic. It will be shared with staff and parents / carers, as well as published on the school website to provide transparency of our approach to all members of the school community, explaining the adjustments made to mitigate against risks caused by coronavirus (COVID-19).

As well as this overview, HTPD school will also review and update our wider premises, staff and pupil risk assessments and consider the need for relevant revised controls in respect of our conventional risk profile considering the implications of coronavirus (COVID-19).

This document sits alongside the government guidance below:

<p>Prevention</p> <p>5. Minimise contact</p>	<ul style="list-style-type: none"> • The number of contacts between pupils and staff is reduced. This is achieved through keeping classes separate and through maintaining distance between individuals. More information on groups can be found in COVID-19: <u>Guidance for full opening</u> • If staff or pupils cannot maintain distancing, particularly with younger pupils, the risk is reduced by keeping pupils in smaller class sized groups. • Staff should only move between classes when absolutely necessary. Where staff need to move between classes and year groups, where possible they should try and keep their distance from pupils and other staff as much as they can, ideally 2 metres from other adults (eg PPA staff, SEND staff). • Adults to avoid close face to face contact and minimise time spent within 1 metre of anyone. • Pupils that are old enough should be supported to maintain distance and not touch staff and their peers. 	<p>Y</p> <p>Y</p> <p>Y</p> <p>Y</p> <p>Y</p>	<p>SLT and implemented by all staff</p>	<p>Sept 2020</p>

Where visits can happen outside of school hours, they should. A record will be kept of all visitors. • Classroom based resources, such as books and games, are used and shared within each class; these are cleaned regularly, along with all frequently touched surfaces. Resources that are shared between classes, such as sports, art and science equipment are cleaned frequently and meticulously and always before being used by another class, or rotated to allow them to be left unused and out of reach for a period of 48 hours (72 hours for plastics) between use by different classes; • Pupils limit the amount of equipment they bring into school each day, to essentials such as lunch boxes, hats, coats, books, and stationery. Bags are allowed. Pupils and teachers can take books and other shared resources home, although unnecessary sharing is avoided. Contact sport to be avoided. Outdoor PE lessons take place and not indoor (indoor movement breaks not to involve increased breathing). <u>COVID-19: Guidance on phased return of sport and recreations.</u> • Lessons which include singing, chanting, playing wind or brass instruments or shouting may cause an additional risk of infection and are therefore avoided. Control measures of physical distancing, playing outside, limiting group size to 15, positioning pupils back to back or side to side, avoiding sharing of instruments and ensuring good ventilation are put in place. 	<p style="text-align: center;">Y</p> <p style="text-align: center;">Y</p>
