

English

This week we have been using our plans to write our own Greek style myths. With heroes and mythical beasts battling it out, it has been quite an adventure!

Maths

This week in maths we have consolidated our understanding of column addition using money and we have learned to apply this when solving worded problems. Maybe you could try and use your new learning, next time you go to the shops?

Topic

We have begun looking at ancient Greek achievements and their way of life including looking at; their homes, what they ate, how they farmed and different groups of people in their society.

We learned from each other by splitting off into groups, who each learned about a particular area of Greek life. We then came back together and shared our new learning, before creating an information poster.

Greek Day

The Yvonne Arnaud Youth Theatre will be coming into school on the 8th March leading workshops with the children. The children will also be involved in a range of different creative Greek activities. **Please ensure that the children have a simple Greek costume (a chiton).**

Fluffy Friday

Next Friday (10th February) is **FLUFFY!** Please make sure that your child brings back any permission slips that may come home. The children are allowed to wear home clothes (suitable for their activity) and **must bring £1 with them.**

Parents evening

Year 3 parents evening dates and times will differ slightly from the rest of the school this term. We will be able to see parents on Thursday 2nd March and Tuesday 7th March between 4 - 6:30pm. Further information will follow soon, including appointment slot letters.
