

JUST TO LET YOU KNOW . . .

We are so proud of Y3! They were excellent role models to our visiting Y2 children and made everyone feel very welcome. We can't believe a whole year has passed as it seems like only yesterday we were meeting your children for the very first time!

Writing

This week we have learned to use and identify prepositions and subordinate clauses. The children have demonstrated their understanding through their writing about 'Spywatch'; we are eagerly awaiting the next episode as, once again, we were left on a cliff-hanger!

Maths

We have focussed on time problems, duration and converting minutes to seconds. The children have also worked on interrogating data and solving associated problems.

Topic

We have continued to work on our bunting, and also made 'luggage label' books in preparation for our writing next week.

NOTICES

There are still a few medical forms outstanding for our Y3 Sleepover; please return a.s.a.p.

Please remember to send in your £4.00 contribution as we are running a very tight budget and every £1 counts!

We will send out the volunteer list as soon as possible; it is not too late to sign up!

A quick reminder to let you know that the school will be closed on Monday 25th June for our Mid Summer Holiday.

Tuesday is Sports Day; please make sure your child has their 'House' PE kit with them. Y3 races are between 11 –12; full details are on the school website.
