Sandcastle Extravaganza!

Please don't forget to sponsor your child as part of our fundraising to help to buy a super sandpit. We will be making our castles on Wednesday so look out for your child's totals!

Thank you to everyone who came along to our 'stay and play' in the school grounds on Wednesday, It was great to see so many of you exploring all the different outdoor activities.

Dear Parents

Well, we have had another very busy (albeit short) week! At the Wild Place we used positional language to describe where we had put our cuddly toys - under the bench, next to the tree, on the branch, on top of the boat etc. We enjoyed listening to the story of 'Burglar Bill' and have practised writing 'evidence forms', remembering to use full stops, capital letters and finger spaces.

We have had 2 very special visitors this week - yesterday Fire Fighter Charlie came in to tell us about fire safety, learn a safety song and she even brought in protective clothing outfits that real Fire Fighters wear! Today we had a visit from a real Policeman, Neil Williams, who brought his handcuffs along and talked about road safety and how the Police help us. What lucky children!

We have also started to learn about 3d shapes and their properties - face, edge, vertices (that's corners to you and me!) curved and straight. Why not play a guessing game at home with the real life 3d shapes and see if your family can guess what you have behind your back when you describe some of the shape's properties?

Finally we have run many laps to Sochi this week. It is amazing how quickly the children build up their stamina!

Enjoy the weekend.

Reception Team:)
