

Just to let you know...

In English we have been learning how to use speech and writing newspaper reports for our Crazy Inventions!

The children have been designing inventions that are made from 'unsuitable materials'. Why not ask your child what their invention is and why their chosen material does not have the suitable properties for purpose.

Homework: Make your Crazy Invention!

Your child needs to build their Crazy Invention at home and they have two weeks to do it. It should be handed in on Friday 11th November, in time for display in our Materials Exhibition on Tuesday 15th December at 2pm.

Maths

In Maths this week we have been learning about fractions. We have explored what an equivalent fraction is and how to convert tenths and hundredths to a decimal fraction. If you would like to support your child further with their fractions work, log on to the

[mymaths website](http://www.mymaths.co.uk/) and go to Level 4/Number /Fractions.

Reminder:

Please make sure your child is in school and ready to learn at 8.40am, as our learning starts at this time. Thank you.

Dear Parents,

The children have now been set the **homework** of building their Crazy Invention and so we would very much appreciate it if you could continue to save any spare boxes, or pieces of recycling you may have lying around at home, for the children to use when creating their innovations. These will be presented at the Materials Exhibition which is on Tuesday 15th December at 2pm. Hope to see lots of you there!

Have a lovely weekend,
Julia, Jo and James.

Christmas Play

Our Christmas Play, 'Mary Poppins' begins the week after next (7th December) and these are the performances:

Monday Afternoon 1.30pm: Keller and Mandela

Monday Evening 7pm: Keller and Mandela

Tuesday Afternoon 1.30pm: Nightingale and Shackleton

Tuesday Evening 7pm: Nightingale and Shackleton

Wednesday Evening 7pm: Keller and Mandela

Thursday Evening 7pm: Nightingale and Shackleton

Costumes:

Boys—short trousers, long sleeved buttoned shirt, knee length socks and shoes.

Girls—traditional style dress, ankle socks, shoes and hair ribbons.

They will also need to be dropped off at school from 6:30pm for evening shows and collected from 4J, after the performance, at approximately 8pm.
