

JTLYK - RECEPTION
FRIDAY 18th NOVEMBER 2016

Beep Beep!

We are looking forward to Road Safety Week next week. As part of our activities each child can enter a poster competition to be judged on Friday 25th, the same day that they can go to school dressed in bright colours. The main Pewley Beep Beep message is... Let your child out of the car on the pavement side of your vehicle.

Reading

Please keep on supporting your child's reading and phonics practice at home, it really is starting to make a difference. Try to learn by sight one or two of the 'tricky words' from the little booklet stuck in the jtlyk books.

Maths Corner

We have been exploring the concept of 1 more than a given number. At home ask your child to help you lay the table for a meal, take out 5 forks, now 1 more, how many are there now?

Dear Parents

It was good to meet with you all this week and talk about your lovely children! We always look forward to building on our good home/school relationship.

This week the children have really begun to enjoy their mark making, whether it be writing names and stories, drawing scenery for construction models or making tickets. We loved following our bear footprints this morning, trying to find the 'next number' up to 20. We were also amazed at how many 'woodland friends' were hiding in our outdoor area and even more amazed that we could write the first sound of their names. Gosh we are learning such a lot!

Have a great weekend!

Reception Team:))
