

Year 6 Group Room

Children have been working very hard this week planning their Amazon holiday brochures. They should have taken their plans home to be finished (written or typed) and handed in on Monday.

This week's spellings were:

pain, Spain, brain, paid, again, afraid, snail, rain- please keep practising!

Spellings are given out on Mondays and a test given on Thursdays. The list is written in a green book which should come home on Mondays.

Next week they'll be writing a letter of complaint about one or two of the activities or facilities described in their holiday brochures so it might be worth them having a think about which ones to choose from their finished work.

Have a great weekend!

Lynn and Tina 😊
