

Just to let you know...

Christmas project

This week, each year group focused on Christmas in a different historical period to complete our assembly series looking back through time. In Year 6 we found out about how the Victorians introduced many of our Christmas traditions including Christmas Carols, cards and the Christmas tree. We will be presenting some of this topic at the end of term Carol Service next Thursday morning.

In maths this week we have been consolidating all the topics taught this term—the children have worked hard to complete a series of Christmas themed problems covering %, area, averages, the four operations, ordering numbers It's been great to see how enthusiastically the children are using mathematics—do encourage them to continue using this website. Also make sure they learn their times tables!

- Next week:**
- Monday—Carol singing at Mount Alvernia for a small year 6 choir; Year 6 disco 5.30 –7pm
 - Tuesday morning- Winter walk (wear warm coat, scarf etc)
 - Wednesday morning - HTPD school choir carol singing at Tunsgate arch
 - Thursday- Carol service at HT church (children to arrive at 9am at church)
 - Friday- School finishes at 1.45pm

Don't forget:

- Monday 7th January is an INSET day, school starts back on Tuesday 8th
- Stuck for Christmas present ideas? Science books could make the perfect gift for enquiring minds! Next term's topic (It's a Wonderful Olympic Life) is science based, so any books on the subject could only help!
- There will be a talk for parents in the hall on Thursday 10th January at 2.30pm, to discuss the sex education programme taking place the following week.
